

# Stack Panel Contemp Clad

Stack Panel Contemp Clad in Western Red Cedar creates a perfect and seamless result that is sure to impress. The boards are designed to produce an overlap, which gives the effect of continuous, uninterrupted crisp lines. An outstanding design for discerning tastes, Contemp Clad will greatly enhance any building by creating a dramatic architectural flair.

## Ideal applications:

- Designer houses/ apartments
- Architectural buildings
- Residential and commercial external walls
- Hotels and resorts
- Outdoor living spaces/ areas
- Shopfronts
- Can also be used internally

## Key product features:

- Quick and easy installation
- Lightweight, but with the durability and strength of Western Red Cedar
- Can be painted, stained or left to grey naturally
- Can be used vertically or horizontally
- Perfectly straight lines and channels
- Available in both Dressed Face and Bandsawn Face
