

Stack Panel Wave Panel

Stack Panel Wave Panel in Western Red Cedar is an exciting profile design featuring a bold, corrugated surface for a unique and dramatic effect. The smooth surface furrows are reminiscent of corrugated iron, but are softened and modernised by the timeless natural beauty of Western Red Cedar. Stack Panel Wave Panel is a daring design that produces dramatic shadows and highlights for outstanding finished results.

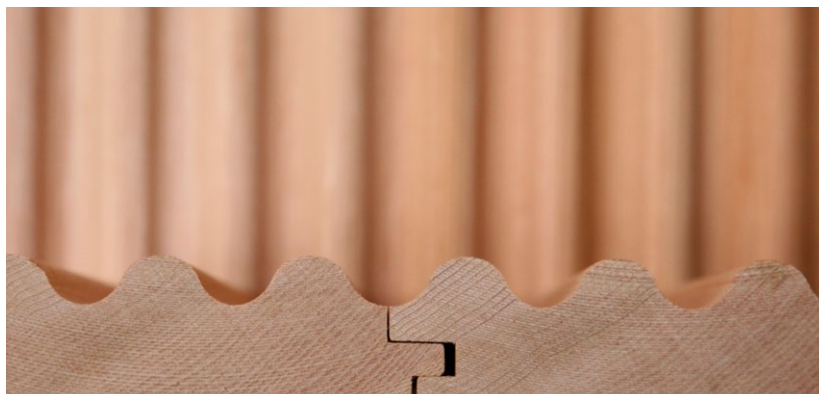

Ideal applications:

- Commercial foyer's/ fit outs
- Shop fronts/ fit outs
- Cafés and restaurants
- Designer houses/ apartments
- Hotels and resorts
- Office fit outs
- Auditorium acoustic linings
- Living areas
- Entrances
- Feature walls
- Kitchens and bathrooms
- Board rooms
- Bulkheads
- Stair wells
- Outdoor living spaces/ areas

Key product features:

- Quick and easy installation
- Available in both tongue and groove and overlap profile
- Outstanding acoustic properties
- Can be coated, stained or painted after installation
- High wood density and course texture
- Unique design
- Made from environmentally friendly Western Red Cedar
