

Hamptons Hemlock

Hamptons Hemlock

Professional Solid White Linings, Relaxed and Timeless Interiors.

A lavish take on interiors, Hamptons Hemlock Linings is a twist of modern, minimalist, and traditional classic. Made from Canadian-sourced timber, this style is timeless and has evolved from small, lifestyle beach huts to the grandeur homes and interiors you see today. Designed to exude opulence, Hamptons Hemlock Lining adds soft texture and charm to home interiors.

Hamptons Hemlock is ideal for:
