# Kulture

Stunning, bold and so unique.

The Kulture profile comes in two striking options that are exclusive to Stack Panel. Ideal for large coverage areas, the bold-cut randomised grooves give a spectacular dynamic to interiors. Available in either white or black, both colour options celebrate the natural Western Red Cedar highlights.

## Kulture is ideal for:

- Residential
- Commercial
- Internal feature walls
- Internal ceilings
- Entrances
- Media rooms
- Feature walls
- Ceilings
- Alfrescos
- Commercial offices

## Key product features:

- Premium pre-finished paneling system comes in a tiled format.
- Kulture Zing has shallow grooves with close-together lines and Kulture Safari has deeper grooves for bolder patterns and shadows.
- Elegant channel lines between profiles enhance the design affect.
- Specially designed interlocking tongue allows for secret fixing.
- Provides improved insulation and reduced noise penetration.
- PEFC™ Certified.
